Smas
WORKSAFE

Business Compliance Overview

Ross Campbell Scaffolding Ltd

Smas Worksafe accreditation has been achieved following an assessment of the company's Health & Safety documentation, and compared against the SSIP Core Criteria, which set out the standards required to achieve accreditation.

This company has achieved certification by meeting the required standards on the below criteria:

- Health & Safety policy and organisation for Health & Safety
- Arrangements
- Competent advice – corporate and construction related
- Individual qualifications and experience
- Monitoring, audit and review
- Workforce involvement
- Accident reporting and enforcement action; follow up investigation
- Sub-contracting /consulting procedures (if applicable)
- Risk assessment leading to a safe system of work
- Co-operating with others and co-ordinating your work with that of other contractors
- Welfare provision
